QUICKSILVER® CAPTUR

675 Pilothouse

The boat that adapts perfectly to your plans. Equipped for serious fishing, flexible enough for cruising fun.

IMPROVED FISHING EXPERIENCE

- Fishing made easy with storage for 6 rods under fiberglass coaming caps, 4 rod holders on the deck.
- A large and flexible cockpit to allow different seating arrangements which can be cleared easily to maximize the cockpit fishing area.
- A bait preparation station with integrated cutting board.
- The fish locker is equipped with a drain and pump out system and offers plenty of storage capacity.
- Optional equipment includes 2nd helm with GPS/Chart plotter for complete control of vessel from the cockpit and premium fishing equipment package with transom bait preparation station, electric fish locker pumpouts, 2 additional transom rod holders and cockpit raw water wash down.

FEATURES & BENEFITS

CRUISING COMFORT

- The fully configurable cockpit space can be converted in a minute to seating and dining area with an optional comfort pack.
- The cabin area seats four and contains a convertible berth that sleeps two.
- A wide starboard access walkway to the bow of the boat allows you to move around the boat in a secure manner.
- A handy galley with sink and cooker can be upgraded to include fresh water capabilities and a refrigerator.
- For all weather protection custom optional cockpit canvas and a fully enclosed canvas are available.

SECURE FEELING ABOARD

- The deep cockpit provides a secure environment and is combined with a wide access to the bow area and ergonomic grab rails.
- The helm provides 360 Degree Visibility. In rough waters a tempered glass windshield and strong windscreen wipers ensure safe operation.
- Excellent access to the water and land is assured by the walkthrough transom, an integrated swim ladder and optional dual swim platforms.
- The boat is equipped with 2 automatic bilge pumps to ensure power at all times.
