ACTIV

855 CRUISER

Life is now

## Activ 855 Cruiser: Inland and Offshore Comfort

Our largest and most elegant cruiser is almost here – and we can't wait to show it to you. The 855 Cruiser provides space, style and function in one multi-purpose craft. Cool in the summer. Warm in the colder months. And plenty of sleeping areas for your family and guests. Get ready to experience the ocean, rivers and lakes in one singular craft. Get ready for state-of-the-art safety, exceptional comfort, and contemporary style. Get ready for the Activ 855 Cruiser.

Life is now.

## The Smart Edition – the best way to get the options you need

People are different. So why should every boat be the same? We have designed our boats for optimal use, but we know that everybody has their own preferences. That's why we are introducing the Smart Edition. The Smart Edition gives you what you need: a variety of option sets that are most frequently requested by our customers. So you can be sure you get the options you want. They also save you an average of 10% when compared to ordering options separately. Best of all, the Smart Edition has short delivery times and is probably already available at your local dealer right now – you'll be on the water before you know it.

Explore our complete range of boats and dealer networks at [www.quicksilver-boats.com](http://www.quicksilver-boats.com).

## Functional Elegance at its Best

The Activ 855 Cruiser is our largest, most elegant model yet, built on the cornerstones of safety, comfort, style and power. Suited for 10 persons you can take it out to the sea, explore your local rivers or head out to your favourite fishing lakes. With the choice of an inboard or single and twin outboard engine configuration, you will have the power you need. The SMART edition will give you the right comfort, cruise and style options tailored to your enjoyment preference.

### Safety

As a boat designed for inland and offshore fun, the Activ 855 has a variety of features designed to keep you and your loved ones safe. Enjoy a 360° view from the cabin and a dual-engine option to gain full control over your surroundings. The extra side sliding door in the cabin, large access from cockpit to bow and walkthrough transom coupled with swim platforms with integrated swim ladder provide safe circulation around the entire boat and water access.

### Comfort

Whether you're on the move or relaxing, the 855 Cruiser is ready to go. The sliding cockpit bench seat can be converted to a large dining area or to a sun lounge. Can't get enough of the sun? There is a second sun lounge on foredeck. Optional air conditioning and heating is available to maintain the desired temperature. And the boat's large galley with stove and optional microwave and fridge will help you prepare the perfect dinner out on the water.

### Design

We've designed the Activ 855 Cruiser with a combination of aesthetics, quality and class-leading space to provide lasting value and the look and feel of a much larger boat. The pull-out shower compartment and sea water toilet are tastefully arranged while skylights provide plenty of natural light in the private master stateroom and private aft stateroom.

### Versatility

Every journey is different. That's why we've made sure that you can reconfigure your set-up to match any occasion. The convertible, four-position dinette uses opposing and fold-away seating that can be changed into a U-lounge for entertaining. It also quickly changes into forward facing seating, or becomes an extra third berth when you're done for the day.
